I would like to help Symphonie Fantastique through the organisation of its first Season 2010/2011 as a:

Friend

As a Friend of Symphonie Fantastique, you will help the orchestra to grow up. Being a young and independent orchestra, Friends' donations are critical to our musical activity. We will be delighted to invite our Friends to attend rehearsals and meet the musicians.

You can become a Friend with a donation starting from € 100,-

I will support Symphonie Fantastique as a Friend with a donation of €

Patron

Composers, performers and orchestras have always relied on individual private benefactors to support them.

Symphonie Fantastique invites you to continue the tradition of supporting great music by becoming a Patron.

You will receive invitations to rehearsals, the opportunity to meet the conductor and the musicians and two tickets for a concert of your choice in the Season 2010/2011.

To become a Patron we ask for a minimum donation of € 500,-

I will support Symphonie Fantastique as a Patron with € per year.
